

# CEF Day of Prayer: Leadership

August 7<sup>th</sup>, 2022

Our goal in setting aside this Day of Prayer is to discern God's choice of leaders for the CEF Hawkeye Chapter, specifically for a Director and additional Board Members.

## **Director**

- Pray for God's direction for how the Board can make this need known in our area.
- Pray for God's calling to someone who seeks to conform his/her character to Christ.
- Pray for God's leading for a director who has a commitment to the mission of CEF.
- Pray for a person who would have good communication skills and a love for God's people; a person who is a strategist, a visionary, a leader, and a mentor.

## **Board members**

- Pray for the current board to know how to identify others who would like to be a part of the local board.
- Pray for people who will respond because of a sense of His call for the purpose of CEF.
- Pray for those to respond who have a desire to lead and guide the Hawkeye Chapter.
- Pray for people who can give several hours a month for a minimum of three years, have community-building skills, be an ambassador for the ministry, and share their talents to guide and grow the ministry.
